About this trip

Hello Christian Fellowship Church!

Our volunteer Global Outreach Trips are the “hands and feet” that get to go and see what God has purposed to do through Kids Around the World come to fruition — whether it is by giving kids the gift of play with a beautiful playground, providing nutritious meals, or sharing God’s story of His love for them.

We are excited to partner with you to bring the love of Christ to children in Ecuador!

Through our three programs, we are helping children thrive by providing nourishing FOOD, the joy of PLAY, and hope found in Christ through sharing His STORY. On our GO trips, you will be part of all three programs in action!
